## GENERAL CARE INFORMATION FOR FURNITURE

---

Thank you for your order !

Please follow the general care tips below so you can enjoy your new furniture for a long time:-

- The drawers of this Unit are designed to hold a maximum load of 5kg each spread evenly throughout the drawer . Do not exceed this weight
- Do not sit or stand on this unit .
- Protect surfaces from heat and liquids by using placemats and coasters
- Wipe up any spills immediately with a dry cloth
- Do not place candles directly on furniture
- Spray polishes are quick and easy to use, but if they contain silicones they should be avoided, as this may spoil the surface of your furniture
- Normally, a soft lint free cloth is sufficient for cleaning your furniture. Stubborn marks can be removed with a slightly damp cloth.
- Never use aggressive chemicals or abrasive materials to clean furniture as these may damage surface
- The use of cleaning equipment such as steam cleaners and vacuum cleaners should be avoided
- When writing, a protective pad should be used to prevent scratching.
- If moving furniture, always lift as dragging may damage joints.
- Furniture will withstand most temperatures within the home  
However, do not position close to direct heat sources such as radiators
- Regularly check to ensure that fittings are tight
